

New Student Referral Tuition Credit Program

Here is a great way to reduce your tuition costs and bless our school. The most effective way families can learn about Jesse Remington High School is from a personal referral. *Your testimony about our school is the most valuable marketing tool for recruiting new families.* Spread the word about the important ministry of Jesse Remington and receive a tuition credit for each new family you refer and enrolls at JRHS.

Amount of the Credit

Current families will receive a \$500 credit for each new family they refer to JRHS and whose children attend the school on a full-time basis. The referral credit is on a per family basis and may only be applied to tuition. For example, if a new family has two children to be enrolled, there would be a \$500 tuition credit for that referral. The credit applies for the academic year the referred student enrolls and does not continue to subsequent years.

Award of the Credit

Once the student is accepted and enrolled, the referring family will be notified. The credit will be applied to the tuition account of the referring family at the start of the third quarter contingent upon the referred student(s) ongoing enrollment. Multiple referrals earn multiple discounts totaling up to the amount of full tuition. If a family opts to pay their entire tuition in one payment in August to take advantage of the single payment discount, the school will issue the credit in the form of a check at the start of the third quarter.

Eligibility for the Credit

The credit will be paid for families that have not previously been enrolled at JRHS. The prospective student/family must clearly identify the referring family through the application and interview process in order for the referring family to receive the tuition credit. If two referring families are identified, then each family receives a \$250 credit. Families must be current on all tuition and fees to receive the tuition credit.

Upcoming Opportunities to Connect Prospective Families:

1. Campus Preview Events--encourage curious families to register to attend an Open House in November, January, February or March. Registration is open now: www.jrhs.org/open-house.
2. Taste & Tour Days! Always free for first time guests, and campus tours available immediately after lunch. A list of days can be found at jrhs.org/agape-lunch.
