# VICTORIAN FAIRE

Welcome to the 2025 Jesse Remington High School Humanities Faire! Today you will experience the great Victorian era. You'll encounter historical figures from the 19th century as you take your journey back in time. We invite you to participate in the Historic Presentations, the Interactive Games, and the Marketplace. But most of all, have an engaging and fun time!

The Humanities Faire is the original expression of Project Based Learning at JRHS. At its core, the Faire is a performance event, based upon research, offering students the opportunity to showcase their learning in a role playing simulation. Your participation today helps them build skills and experiences that are transforming them into versatile young adults. There are 5 themes in the program, so, we will see you again next year!

Friday, October 24th from 9:30 am - 12:30 pm

Saturday, October 25th from 1-4 pm

Dinner & Dance following Saturday's Faire

# SCHEDULE

The Victorian Faire is scheduled in Three Parts:

## PART I (The First Hour)

The Historic Presentations – Find a Tour Guide and follow a group to each of the Four Scenes, where you will engage with the Actors on their study of Victorian Life.

## PART II (The Middle Hour)

Games and Activities – Enjoy open Fun and Fellowship around the fairgrounds. Some of the whole group fun activities include: The Quest, The Timeline and The Puzzle.

## PART III (The Third Hour)

New this year – *The Victorian Marketplace!* The Actors have prepared items and ideas for sale, and the Guests are the Investors! Start your investing with the provided Gold Coins, and then head on over to the Bank to put your money where their mouth is! All proceeds go towards our upcoming Mission Trips in April.

## CONCLUSION & CAST PHOTO

At the close of each day, students will step out of character and be ready for the audience to ask them questions about their character, their study or the Humanities Faire.
